

A Prayer for Father's Day and for Families

Our God:

We ask you to bless all families and for a special blessing for all fathers on this Father's Day.

We pray for families:

Families bursting at the seams and families of one.

We pray for families vibrant with the spirit of living, families quarrelling, avoiding, smothering, and families sweet with new and old love.

We pray for families scared, isolated, confused, families feisty and radiant, ever present, and just plain every day families.

We pray for children:

For children exultant and children old at birth, for children who laugh and delight.

We pray for children too tired to cry tears and too hungry to remember ever being full.

We pray for parents:

For parents speechless at the birth of a child, and parents sitting in police stations awaiting bad news.

We pray for absent parents and parents much to present, for parents old and young, for parents cynical and at wits' end, and parents content with love abounding.

We also pray for grandparents, aunts and uncles, and those who are honorary aunts and uncles:

May they be for their families, teachers of wisdom and courage that they may pass on to future generations the fruits of their mature human and spiritual experience.

Our God of goodness and mercy be with us and guide us, hear our prayers, our words, and our dreams.

We pray and trust in your presence and your healing touch throughout all our days on this earth.

We could say that **The Most Holy Trinity** is a feast that draws back the curtains on God's life and lets us have a look inside. What we see is that God is a family of three persons – Father, Son and Holy Spirit – bound together in a relationship of love and harmony. Without the teachings of Jesus, we would know very little about God, but by watching Jesus in action, proclaiming God's word, we learn about God's compassion, forgiveness and love.

Trinity Sunday is a time for reflecting on the presence of God in our midst. He can be found in the happenings of our own lives as well as in the people we meet every day. Often we search for God only in the spectacular while all the time he can be encountered in the ordinary.

The mystery of the Trinity is not something we can work out intellectually but it is something to be lived out in our lives.

2019 PARISH GOAL - \$147,000.00
Collection to date - \$ 109,735.55

Living the gospel by helping homeless youth.

On any given night, 6,000 people across Canada between 16 and 24 have nowhere to call home. This represents 20% of the total homeless population.

The ShareLife supported Rights of Passage program at Covenant House is making a positive difference in the lives of homeless youth on the streets of Toronto. The program matches adolescents with mentors who help them build life skills. By supporting ShareLife, you are helping at-risk youth prepare for life on their own.

Please make a sacrificial gift to ShareLife through the parish or sharelife.org
