

**Teach me  
Your ways,  
O Lord . . .**

With the best will in the world, we can all fall prey to the type of thinking and misguided notion that only the church can contain truth and only its members can perform spiritual works. When we think along these lines we deny the great works that can be achieved outside her influence. We forget that an action can be good and Godly without it being performed by a Christian. Goodness in the world comes from God and not from people. Even within the church there is a temptation to form our own select groups; to promote the club mentality which is basically about being in and keeping other people out.

The gospel tells us that any person of goodwill doing their best to follow Christ's footsteps graces the world. God's action is not limited to any class of people. Goodness is where we find it.

**GRANDKIDS SAY THE DARN'ST THINGS...**

She was in the bathroom, putting on her makeup, under the watchful eyes of her young granddaughter, as she'd done many times before. After she applied her lipstick and started to leave, the little one said, "But Grandma, you forgot to kiss the toilet paper good-bye!" I will probably never put lipstick on again without thinking about kissing the toilet paper good-bye.

A second grader came home from school and said to her grandmother, "Grandma, guess what? We learned how to make babies today." The grandmother, more than a little surprised, tried to keep her cool. "That's interesting," she said. "How do you make babies?" "It's simple," replied the girl. "You just change 'y' to 'i' and add 'es'."

After putting her grandchildren to bed, a grandmother changed into old slacks and a droopy blouse and proceeded to wash her hair. As she heard the children getting more and more rambunctious, her patience grew thin. Finally, she threw a towel around her head and stormed into their room, putting them back to bed with stern warnings. As she left the room, she heard the three-year-old say with a trembling voice, "Who was THAT?"

A grandfather was delivering his grandchildren to their home one day when a fire truck zoomed past. Sitting in the front seat of the fire truck was a Dalmatian dog. The children started discussing the dog's duties. "They use him to keep crowds back," said one child. "No," said another. "He's just for good luck." A third child brought the argument to a close. "They use the dogs," she said firmly, "to find the fire hydrants."

A little girl was diligently pounding away on her grandfather's word processor. She told him she was writing a story. "What's it about?" he asked. "I don't know," she replied. "I can't read."

When my grandson asked me how old I was, I teasingly replied, "I'm not sure." "Look in your underwear, Grandpa," he advised, "Mine says I'm 4 to 6."

I hope these have brought a chuckle and have lifted your spirits!
