**Teach me
Your ways,
O Lord . . .**

The blind beggar in this week’s gospel reading knew exactly what he wanted and was not afraid to do everything in his power to reach out for help. We are told that on following Jesus he cast off the cloak of his former lifestyle. Maybe we need to abandon the trappings of our present behavior, which is preventing us from seeing others as our brothers and sisters and living the Christian life fully! Our blindness remains because we haven’t the honesty to admit we are hurting or the humility to ask for healing. The good news is that Christ is always passing by, ready to hear our call and willing to answer our plea for help.

DEVELOPMENT AND PEACE
SIGNING CAMPAIGN

In the last decade, a growing number of people around the world have been forced to flee their homes and cannot return home. Today, 68.5 million people are living in forced displacement – the highest level in modern history

The war in Syria and Iraq has been a major factor of forced migration but many other countries such as Burma (also called Myanmar), Afghanistan and some African countries have become unsafe. St. Luke’s has sponsored many refugees from Syria and Iraq, including two full sponsorships. Permanent resettlement is one solution but it can’t be the only solution.

Development & Peace works on the ground with organizations around the world to provide for the most urgent needs of those impacted by some of the worst forced migration crises in the world today. Protecting and caring for displaced people when they escape to safer regions or countries is essential and is the responsibility that all countries share. However, in addition to humanitarian work to protect and assist refugees there is also the need to address the root causes of this forced migration.

Some of the root causes are Violence, armed conflict, persecution based on religion or ethnicity, extreme poverty, and environmental causes such as drought, famine, natural disasters, including climate change are root causes and major factors that drive people from their homes, communities and countries.

The main call to action for the D&P signing campaign this year is the signing of an Action card that will send a clear message to the Canadian government that it must do more to tackle the root causes of forced migration – of refugees fleeing their country of origin. We cannot turn our back on the increasing number of refugees. Addressing root causes is one way to help.

Please sign the D & P Action card on Sat/Sun Nov 10/11.
