Moving out of Parish

Lent is a time to being open to the ways in which God can bring us salvation. It is a grace given opportunity to immerse ourselves in the collective pain of our brothers and sisters in Christ. We cannot escape the suffering, poverty and trouble that surrounds us. We see it in infants deprived of the innocence of childhood and in young people who are feeling rejected and worthless. Parents struggling to raise their families and make ends meet are as desperate as seniors now feeling alone and isolated.

The gospel points out that God is present in people's agony as much as he is in their ecstasy. He is there in the unseen, behind the ordinary appearances of people and places. If we look closely enough we can discover that God's presence is waiting to be revealed in the hidden depth and ordinary events of our day, in the face of the suffering and in the compassion of caring friends. We need only to open our eyes to witness these daily happenings.
